BerZuBaBach 2015 Information

Welcome to the German part of the BerZuBa Triangle!

Here are some things you need to know for this truly to-be-amazing weekend!

1. This is not Switzerland!
2. We have a cheap and good venue and not one of us has to cook! Breakfast is provided by the venue, lunch on trail and dinner will be at the restaurant next door.
3. The venue is a Biosphärenreservat otherwise known as a Nature Preserve. It is a fine venue and we want to keep it that way.

The rooms have no more than 6 people, usually less, and toilets and showers.

You can rent bed stuff (3 €) and towels (1€).

Please make sure you bring: **HOUSE SHOES**

to wear inside the venue. **There will be no outdoor shoes in the venue.**

(But wait, you think, you said “this wasn’t Switzerland”)

4. Other things you might want to bring:

a vessel* from which to drink

* **there will be no vessels provided except wine glasses at dinner**

flashlight, or torch, or both

wet weather clothes = raingear

pain killers

warm clothes, more warm clothes

bed stuff (if you don’t want to rent)

towel (ditto)
